

It is with a heavy heart that we announce that Mavis Eppes FAI died Saturday, July 24th 2010.

Mavis was instrumental in the establishment of the Alice L Haltom Educational Fund. For many years she served on the ALHEF Board as Trustee and as Honorary Trustee since 2004. Her dedication to the promotion of records management and support for the future practitioners will always be part of our success.

Mavis balanced her dedication to the RIM field with sharing good times with her ARMA friends. Smiling, joking and helping others was her life. She will be missed by many.

Farewell our friend, may you find peace with the angels.
